

Klein End Table

Short Description: Antique Brass

SKU: BGW235

$1,790.00

A swanky statement piece that’s bold yet refined, the Klein Side Table can transform any room into a luxurious lounge area. Just turn on the jazz. Its glamorous design enlivens Art Deco elements with a dose of indu strial cool, showing off a meticulously hand-hammered top and base of metallic antique brass. At its center is a lustrous lacquered pedestal that flares out to form an elegant curve. The rich contrast of black and brass makes a striking impression in sleek cosmopolitan spaces or tastefully plush decor schemes. Floated between two lounge chairs, the Klein sets the stage for drinks and conversation.Dimensions: Dia 24" x H 24.5"
