The circle is considered the perfect shape. So it's no surprise that our Sawyer Orbit Chaise is the ultimate in lounge chair perfection. Comfortable for one but designed for more, this unique upholstered circle is delightfully unexpected. The chaise features a slightly arched back, three large pillows, and a single, thick seat cushion all covered in a velvety plush fabric. A superb choice for casual lounging in the living room , bedroom or alcove, the Sawyer just begs for your company. Indeed, there's really no other chaise with quite the same combination of shapely glamour and pure comfort.Dimensions: W 60" x D 60" x H 31"
