The La Vache Hide Photo Frame brings a bold, natural touch to any display with its genuine hide construction in striking black-and-white patterning. The texture and variation of the hide make each frame unique, adding character and warmth to a shelf, console, or bedside table. Sized to hold a 5x7 photo, it features a clean, modern profile that pairs well with both rustic and contemporary décor. The substantial frame depth adds presence while keeping the look refined and timeless.Dimensions: W 8" x D 1.5" x H 10"
