A cozy, yet luxurious retreat for reading, rejuvenation and rest begins with a Grey Rabbit fur throw! The newest fur in our collection, Grey Rabbit is also the softest!!!! Sleek and silky, Grey Rabbit is lightly sheared, ensuring a whisper-soft touch and fluid, supple hand. With a shorter pile, Grey Rabbit is perfect for warmer climates where denser, long-pile furs are too heavy. Interior designers love the neutral color pallet of a Dark Charcoal undercoat with tonal Grey tipping, ranging from the palest Pearl Grey to rich Taupe-y Greige. The lovely result is a versatile fur that works with color schemes ranging from Nature's neutrals to both pastels and jewel tones. With an equally luxurious lining, our Grey Rabbit throws are lined with Dark Brown velvet. Invite the dog, call the cat and let the kids snack because Fabulous-Furs throws are machine washable in cold water/line dry. Dimensions: W 60" x H 72"
