Indescribably beautiful, Pearl Mink is the softest faux fur ever! Thick and dense, yet unimaginably soft, with a single touch, you'll understand. An Ivory pearl-like frosty patina over a pale Taupe and White undercoat gives Pearl Mink its name--and which also must be experienced to fully appreciate! Sheared to amp up the lush, plush feel, Pearl Mink has already earned "best-ever" accolades from a roster of high-end designers! A chameleon fur, Pearl Mink assumes its surrounding colors in a lovely, reflective way. Experience the fluid, liquid hand, and we think you'll agree Pearl Mink captures the very essence of luxury.Dimensions: W 60" x H 72"
