$2,650.00

The wood is Mexican Oak, which is obtained through Sustainable Forest Management, working with small landowners. The presence of natural wormholes adds an organic beauty to the furniture, enhancing its character with uni que, intricate patterns that tell a story of nature's craftsmanship. These subtle details make each piece one-of-a-kind, celebrating the harmony between nature and design. At the top, the fusion of wood and metal echoes the elegan ce of the Mortise and Tenon joint, a graceful tribute to the art of woodworking. It speaks to the harmony between nature and craft.Finish: Palografico with Abstract MetalWood: Mexican OakDimensions: W 66" x D 14" x H 32"
