

Unique Alcobas Cocktail Table

Short Description: Reclaimed Wood

SKU: TAR8009-B

$4,860.00

No two are ever the same. The Unique Alcobas Cocktail Table is a dramatic fusion of raw nature and modern sculpture, crafted from sustainably sourced, reclaimed wood and grounded by bold, sculptural “Fore Base” aluminum legs in a matte black finish.E ach tabletop is cut from fallen timber, preserving the natural rings, textures, and organic fissures of the tree it came from. That means every table in our inventory shares the same origin story—but offers its own distinctive grain pattern, shape, and character.S ustainably harvested and artisan-finished, this cocktail table is a one-of-a-kind statement piece that honors nature’s imperfections while delivering modern edge.Sustainable design. Timeless impact. Truly one of a kind.Dimensions: W 39" x D 56.25" x H17"
