

White Bone & Acacia Trays

Short Description: Set of 2

SKU: BHD191T

$245.00

This elegant tray set combines natural materials and artisanal craftsmanship in a striking design. Each tray features a rectangular shape with raised edges and a bea utifully patterned interior made from alternating strips of white bone and acacia wood. The warm tones of the wood contrast with the smooth, polished bone to cre ate a visually rich and functional accent.Perfect for serving, organizing, or styling, this set adds a refined touch to any space. Trays nest for easy storage and display.
