Pathways rug is a contemporary and livable assortment of exquisitely made micro-tufted designs. Crafted of naturally dyed wool, the versatile, neutral palette of these rugs is sourced from varied species and colors of sheep for a dimensional and organic-inspired look. The architecturally-inspired Rome rug features a statement-making labyrinthine motif. The directional tufting in the durable wool pile creates depth and beautiful texture, complementing the inviting brown and gray colorway. Blot stains immediately and clean with a mild soap and cold water. Blot dry with clean, absorbent towel. Avoid prolonged exposure to moisture. Shedding is normal: vacuum regularly with beater bar off, and shedding will reduce over time.Dimensions: 8' x 10'
