Short Description: Eye-catching & clever design

Cleverly designed, the table's lower mirrored shelf reflects delicate painted cherry blossoms from the chinoiserie painted surface on the underside of the table's top. A rich Go With The Grain finish highlights the grain of the mahog any veneer, especially on its circular top that features a star burst motif. The table's silhouette is further enhanced by an eye-catching, hand-carved scalloped apron, brass banding on the outer edge of the lower shelf and ferrule feet.
