## $1,340.00

Tricky, like trompe l'oeil, this stunning table has a secret–though it looks to be made completely of stone, lift it and you'll discover its actually much lighter in weight. Made from lightweight concrete, its marble-like façade is made in a process called hydrographics. Since the process is done individually, each piece w ill have a look that varies slightly in veining and color scale. Available to special order in a darker palette and smaller scale.Dimensions: Dia. 20" x H 21.5"
