The Earthtone Spots Bowl is made from slip molded Portuguese clay. The color tones of Bronze, Beige, Moss Green, and Ochre in combi nations of metallic and plain glazes create a unique one-of-a-kind bowl, no two will be alike. Hand-painted with reactive chemical glazes, the trial and error involved in getting just the right color combination takes several months to achieve.Dimensions: W 18" x D 18" x H 7"
