With the sculptural profile and bold color, our Winston Stool feels like a modern art piece. Hw Home's inspired designers certainly had aesthetics in mind, the Winston is just as functional as it is fabulous to look at. An oversized upholstered cushion extends past the sleek base and slightly angled legs, providing a plush and comfortable seat. The glamorous stool, perfect for pulling up to vanity or polished console, is fittingly dressed up in head-to-toe leather, luxuriously stitched, and sumptuously textured for ultimate appeal. Whether paired with another furnishing or floated in solo as an accent seat, the Winston has the ability to adapt to both your needs and interior style.Dimensions: W 24" x D 16.5" x H 19"
