

HANDLE IT Cabinet

Short Description: Spalted Maple

SKU: CRA301

$5,450.00

Integrating architecture with materials found in nature, this tall linear cabinet illuminates curated displays and collectibles. Finished in Greenway, a complex mix of dark brown, black, and olive tones, the case exterio r offers rich contrast to the door handles and interior, made from a digitally printed spalted maple. Clean-lined and visually light, it has two glass doors, four adjustable glass shelves, and a single, wood-framed glass s helf. Features a back-lit mirrored panel with LED lighting. Modular design lets you style in pairs with our Get a Handle On It cabinet to fill a wall and create your own display.Dimensions: W 36" x D 16" x H 85"
