$1,100.00

Also known as Caribbean, Mayan, or Aztec Walnut, Samán is a tropical wood native to Mexico and Central America. It features a uniform texture and straight, open grain that give it a consistent surface. Despite its weight and medi um density, the wood is easy to work. When finished, Its fine texture and soft luster highlight the material's natural warmth and character, making it ideal for pieces that balance structure with organic detail. The Van Armchair featur es Hybrid Smoke finish that softens the natural tone of the wood, highlighting its organic texture. Its clean, simple shape makes it versatile and easy to integrate into a wide range of interiors.Dimensions: W 22" x D 24" x H 32.75"
