

Giorgio Vase

Short Description: Peach / Large

SKU: BGW200

$195.00

Handmade glass has been mouth-blown to form the rounded shape and elongated neck. The show-stopping magic is in the de tails. A peach wash of color rising from its base reveals an effervescent constellation of bubbles in the glass, as if the essence o f a spring rain has been captured in a bottle. A gorgeous and multifaceted fixture for a fresh stem. Dimensions: Dia 6" x H 8"
