

Krissa Vase

Short Description: Small

SKU: BGW207S

$195.00

Playing with ordinary utilitarian shapes and materials, our artisans have created these pieces with a patchwork texture of alternating horizontal and v ertical lines which is wittily reminiscent by corrugated cardboard. Glazed on the inside, with a matte finish on the exterior, the vase serve as tabletop decor or as useful catch-alls. They are completely hand made and come with felt feet making them safe for any surface.Dimensions: Dia 6" x H 9"
