

Saorise Vase

Short Description: White

SKU: BGW210

$435.00

The Saorise vase takes it's inspiration from forms encountered in the natural world. Borrowing from coral reefs, to forests, to natural rock outcroppings, our artisans have created vases in white matte po rcelain that celebrate the beauty and the asymmetry forms encountered in both land and sea.The Saorise Vase recalls a tree trunk in the forest with all the little growths and knobs that would naturally o ccur stunning in their originality, these pieces serve either decorative objects, for example gracing center table or a dining table, or as vases holding floral arrangements.Dimensions: Dia 7.5" x H 17"
