

Taylor Vase

Short Description: Blue

SKU: BGW218

$145.00

The Taylor Vase has a mesmerizing, repeating abstract pattern made by alternating sections of glossy deep blue glaze and matte white. It's HW Home reinterpretation of t raditional cobalt blue and white porcelain. With a narrow opening, the Taylor is perfect for a single branch or single flower stem. It can also be used as a decorative object on an etagere or table. Made with high-temperature fired porcelain, the Taylor is a standout addition to your bathroom, entryway, or kitchen.Dimensions: Dia 7" x H 9.5"
