

Green Obsidian Sculpture

Short Description: Small

SKU: PHI3003G-S

$735.00

Polished Obsidian Sculptures have a natural blue or green hue to them. This igneous rock occurs as a natural glass formed by the rapid cooling of viscous lava from volcanoes. Considered as a semiprecious stone, the Polished Obsidian Sculptures will be the perfect tabletop accessory to add to a bookshelf, mantel, or table. Dimensions: W 9" x D 4" x H 7"
