Expertly crafted in Brazil, the Girona Swivel Chair offers both style and functionality. Its metal base provides a sturdy foundation and swivel functionality for added convenience. The metal base is meticulously finished to match the solid Tauari wood frame, creating a cohesive and sleek look. The frame itself, made from sturdy solid Tauari wood, ensures durability and longevity. The fully upholstered seat and back provide optimal comfort, allowing you to relax in style. Adorning the sides of the chair, the leather wrapping adds a touch of elegance, complementing the wood and upholstery beautifully. Versatile and adaptable, the Girona Swivel Chair is ideal for any living environment, adding a touch of sophistication and comfort to your space.Dimensions: W 28" x D 31" x H 30.5"
